

The BIG 'OUR CHURCH' PROJECT

Playing our part in the ongoing story of St. Mildred's

Chapter 3 2016 Today's Challenge

Take a closer look at St. Mildred's church building... Unlike the Centre, we see faded paint peeling off walls and paper hanging off ceilings. We see useless round-pin plugs, broken cable conduits, and staining on the ceiling. Our lighting is inadequate both for our services and concerts that regularly take place here. Our organ is failing. We are right to worry that none of these things are compliant with safety standards or give glory to God.

It is clearly time to renew St. Mildred's church building for the needs of the 21st Century. As before, we are also going to give a generous proportion of all monies raised to a charity. Please sign-up to who we are, what we stand for, and what we're trying to achieve by

- completing a survey form (see below)
- making a donation (see appeal form)
- praying the BIG 'OUR CHURCH' prayer

God of love, we thank you for the story of St. Mildred's, its people, its buildings, its past faithfulness, present challenges, and future possibilities. Give us generous hearts as we support the 'BIG 'OUR CHURCH' project, so we can continue serving the community in the love of Christ, by the grace and power of the Holy Spirit. Amen.
