

Summer Holiday Fun at the St Mildred's Centre

MLH operate holiday clubs during the summer and most school holidays. We've been established for several years and are based at St Mildred's Centre, Addiscombe (nearest tram stop – Addiscombe). Our premises are very modern and spacious, with on-site parking facilities and a secure garden area for the children to play in. MLH also have modern kitchen facilities which enables us to prepare hot meals for the children.

As an Out of School Club (afterschool and holiday club) we try to ensure that the children within our care are given a variety of activities whilst they are with us, including baking/cooking activities once or twice a week. We also provide the children with cooked meals, in particular children's favourite foods such as fish fingers and chips, sausage and mash, spaghetti bolognese, jacket potatoes, chicken curry and rice.

We try to ensure that the meals we provide are nutritional - so they are served with either salad or vegetables and/or fruit. The children are encouraged to drink water during their meals.

In addition to the above services, we also operate our:-

- * Breakfast Club @ St Mildred's - from 7:30am to school time (includes breakfast, activities and drop off)
- * Afterschool Club @ St Mildred's - from school time to 6:00pm (includes meals and activities)
- * Holiday Club @ St Mildred's - from 7:30am to 6:00pm (includes breakfast, meals and some activities/outings daily)

During our holiday club we try to keep the children entertained throughout the day and the children are offered breakfast between 7:30am and 9:15am (depending on our outings). We generally take the children out every day - sometimes to the cinema, or bowling, visits to museums, adventure playgrounds, local parks, swimming (for older children) or ice skating (for older children) etc.

The fees depend on the sessions/times required and we also offer half days, eg 7:30am to 2:00pm / 2:00pm – 6:00pm (and provide parents with a sibling discount for two or more children).

In the summer months we normally venture as far as London to allow the children to get the experience of travelling into London and enjoying the events available there. However, the majority of our trips are based around Croydon and the surrounding area. On our return from our trips, the children are given 'hot afternoon meals' and further activities until 6:00pm.

For those who wish to enquire about our services, we find that it's much easier for parents/carers to come and visit us at the Centre, by making an appointment for after 4:00pm (during term time as we do our Afterschool Club) to allow us to finish our school collections and get the children seated and ready for their afternoon tea. This allows us to give you our undivided attention and to answer any questions you may have, but it's also a great opportunity for parents/carers to see the setting, meet the staff and children and see the meals and activities we put in place for the children.
